English & Maths

In English we are writing balanced arguments based on the story of the willow pattern plate.

In Maths we are focusing on place value and calculations.

This week's spellings:

This week, your child is focusing on any spellings that they find difficult. This could be homophones, words containing double consonants, words from the Year 5/6 word list, etc. They need to practise these using a strategy of their choice (such as word pyramids, hang man or look/say/cover/write/check). The children will test each other on Friday.

Please remember that all children are required to read daily!
