

1st March 2018

Dear Parents/Carers,

Playground Plans

First of all, a huge thank you to everyone who donated their unwanted games, toys and books to our playground. We cannot wait to set up the new zones and give our children these fun resources to play with!

We are now looking at resourcing other areas of our playground as listed below. If you have any of the resources going spare in your home, we would appreciate it if you could donate them to our playground:

Year 1 Mud Kitchen

- Old pots, pans, mugs, plates
- Wooden/metal utensils

Chill Out Area

- Art resources (crayons, chalk)

Activity Zone

- Board games, card games and traditional games

Musical Clothes Line

- Rope, pots, pans, wooden spoons, etc

Owl Garden

- Books, comics, magazines, colouring books

Please hand in any donations to the school office. Thank you in advance for your kindness and generosity.

Kind Regards,

Chris Hearnshaw
