

Personal and Emotional Development

Making Relationships

We are going to learn how to listen to other people's ideas and to share our ideas with others.

Self Confidence/Self Awareness

As story tellers, we will need to have the confidence to share our thoughts with others and be happy to not always go with our own plans.

Managing Feelings and Behaviour

We will be working as a team and thinking about sometimes putting other people first.

Understanding the world

Peoples and Communities

We all know each other so well, but that doesn't mean we all like the same things. We will be enjoying discovering what is different about us all and celebrating these differences.

The World

We will be exploring our local woods and the plants and animals in them. We will be looking at the changes that happen over the year.

Technology

We can use technology for different purposes. We will be taking photographs and creating our illustrations using different software.

Mathematics

Number

Along with continuing to practice addition and subtraction we will be working on doubling, halving and sharing numbers.

Shape, Space & Measure

We will be using everyday language to talk about weight, capacity, distance, time and money. We will be comparing objects and using lots of mathematical language to describe them.

Communication and Language

Listening & Attention

To be good authors we need to be able listen to stories and anticipate the key events.

Understanding

We will be asking and answering lots of questions about our stories and discussing the characters.

Speaking

We will be practicing our story telling skills and will be discussing all our ideas with our friends.

Literacy

Reading

We have so many tales and stories to read. We will be retelling them to our friends and family and discussing all aspects of the story.

Writing

Now that we are using our phonics skills to write we will be writing more for different purposes. We have lots of storytelling to do and will be getting really good at our sentence writing. We have so many ideas for our own stories!

Physical Development

Moving and Handling

We will be writing and illustrating our own stories and using lots of our fine motor skills to create our own books.

Health and Self-Care

We are very independent now and will be getting ourselves dressed and ready for our PE sessions.

Enrichment

We will be visiting our local fairytale woods and looking out for some of our favourite characters from our traditional tales.

Expressive arts

Exploring Media and Materials

We cannot wait to use our imagination to build and create props and settings for our stories! We will use a range of materials to bring our ideas to life.

Being Imaginative

All good authors have a wonderful imagination and we will be using ours to create lots of our own stories. We will be doing lots of drama and role play to explore different characters from our favourite tales.
