Dear Parents/Carers,

Year 2 SATS Arrangements

As you will already know, the Year 2 children will be completing their SATs papers in May. The children will sit four papers- two reading and two maths. Unlike the Year 6 SATs, which must be completed on specific days, the Year 2 papers can be administered any time in May.

We are going to deliver the reading papers the week beginning 7th May and the maths papers the week beginning 21st May. Unfortunately we can't be any more specific with days as the children will be sitting the papers in small groups across the week.

If you know that any of these dates will be a problem please speak to your child's teacher as soon as possible. As it is half term the week after we do the maths paper we will not have time after this to administer any papers for children who were absent, as all papers must be completed by the end of May.

Thank you for your continued support.

Kind regards,

Jen Dyson
