

The Hoot

Year 2 Edition
Wb: 23/4/2018

Announcements & Reminders

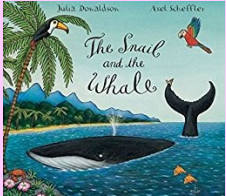

Lancashire Cricket Foundation in School -
Tuesday 24th April. Please make sure your child has their PE kit in school on this day.

Year 2 will have their **British Values Day** slightly later than the rest of the school, on **Monday 11th June**.

Please continue to listen to your child read and discuss the book with them using the guides sent out before the Easter holidays.

English

We will be reading Julia Donaldson's 'The Snail and the Whale'. We will become authors ourselves as we write our own stories based on one of the school children! Move over Julia!!

Things to think about: Can you use different sentence types in your story?

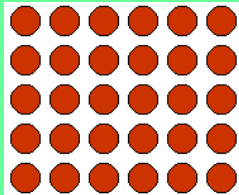

Exclamation eg. 'What an amazing day it was!'

Question eg. 'Do you know what happened next?'

Command eg. "'Sit down!'" yelled the teacher'

Maths

It's all about arrays this week! To help us solve multiplication calculations, we will be practising our arrays.

E.g. $6 \times 5 = 6 \text{ groups of } 5 =$  $= 30$

Things to think about: If Amar gives 3 marbles each to 6 friends, how many marbles has he given out?

Homework: Please check your homework books for the latest homework.
