## Announcements & Event Reminders

We trust that all our families enjoyed the Easter break and we look forward to the new term.

The first event day of the term is on Monday 23rd April, when we will be celebrating and exploring British Values.

Look out also for an announcement shortly regarding a trip to Longford Park looking for minibeasts!

Swimming continues as normal this term.

## English & Maths

Next week in English we will be continuing our work on 'An Egyptian Cinderella' and will be concentrating on comparing different versions of the same story and using possessive apostrophes.

In maths we will be working on recognising a variety of angles and describing the properties of two-dimensional shapes.

## Fortnightly Topic Task

Our new topic task relates to our science topic on the digestive system. We would like the children to make a model or draw a diagram of the human digestive system (the more realistic the better!) The children may consider making an advent calendar style poster where each part of the system can be revealed by opening a door. We will leave it up to their creative imaginations! Due **Friday 4th May**.
