English

We are reading 'The Fish Who Could Wish' this week! After reading the story, we will be using our creative writing skills to write a character description about the fish. We are also going to be writing a missing person poster.

Things to think about: What ENPs (expanded noun phrases) could you use to describe under the sea creatures? E.g. smooth, silky body.

Maths

Sharing, dividing, grouping - this week we will be putting our division skills to the test! Can we complete these stem sentences?

There are ___ equal groups with ___ in each group.
There are two ____.
___ + ___ = 6

Things to think about: How else can we group these cupcakes? Remember, the groups need to be **equal!**

Homework: Please check your homework books for the latest homework.
