## English

This week we will be looking at and then writing our own instructions!

**Ways to help at home:** Have a go at following a recipe to make something.

## Maths

This week we are revisiting shape. We will be looking at the properties of shape - how many sides and corners does a 2D shape have? What 2D faces can you see on a 3D shape?

We are also looking at place value. How many tens and units are in 35? 42?

**Things to think about:** What does the 3 mean in 35? Which number is bigger: 38 or 83? Why?

**Homework:** Please check your homework books for the latest homework.
