

15th May 2018

Dear Parents/Carers,

Year 4 Longford Park Visit

This half term we will be studying *Animals, Including Humans* in science and statistics in maths. In order to marry the two topics together, all three Year 4 classes will be visiting Longford Park on the afternoon of **Thursday 24th May**. During this visit, the children will be investigating different habitats, making sketches and recording data about the different creatures they discover.

Given the unpredictability of the weather, please can you ensure you dress your child in appropriate clothing and wellies/suitable shoes. Please also ensure you apply sun protection beforehand if required.

School jumpers are to be worn for the visit. If a child arrives without their school jumper they will either be given a high-vis jacket or a jumper from the spares box to wear so that they can be easily identified.

In order for the visit to go ahead each class will require a number of parent helpers. Please indicate on the reply slip below if you are able to help out on the afternoon. We will be walking there and back, leaving school after lunch (1.30pm) and returning back before home time. Normal lunchtime arrangements will not be affected.

As this is a local visit we will not need permission slips in order for your child to attend.

Kind regards,

Luke McDonagh, Sarah Millward and Andy Wheeldon
