English

This week we will be doing a variety of different 'Under the Sea' themed activities, which will allow us to put into use some of the writing skills we have learnt so far this year!

Examples include:

- * In the role of the snail from 'The Snail and the Whale', we will write a letter home describing our adventures.
- * We will take on the role of an interviewer and ask a friend about their views on our 'Under the Sea' topic!

Maths

This week we are completing our maths SATs papers. We will be doing this in small groups across the week.

We are really proud of how hard the children have been working. They should feel very proud of themselves :)

Homework: Please check your homework books for the latest homework.

On Thursday 10th May the children are allowed to bring in a toy or game as a reward for all their hard work during the Year 2 SATs weeks. Nothing expensive or electrical please!
