Staircase House Trip-

2LT Tuesday 26th June

2SH Wednesday 27th June

2JD Thursday 28th June

Thank you for all your continued support. Have a lovely half term break :)

English

We will be exploring a range of traditional tales. What are their features? What makes a tale traditional?

We will be writing recipes for good fairy tales, which we will then use to help us write our own!

Ways to help at home: Share different traditional tales and talk about what you like or dislike about them. Can you spot any similarities and differences between the stories? E.g. is there a hero or heroine? Does good overcome evil?

Maths

We are learning all about mass this week. We will use balance scales to compare the mass of different objects and will move onto reading scales and measuring the mass of things using g and kg.

Things to think about: Are bigger things always heavier? What has the biggest mass—a kg of feathers or a kg of bricks?! How many g in a kg?

Homework: Please check your homework books for the latest homework.
