

The Hoot

Year 1 Edition

Wb: 7.5.2018

Announcements & Reminders

Trip to MOSI- Tuesday 8th May

1JJ & 1HC—Leaving school at 9:00am and back by lunchtime.

1SE—Leaving school at 12:15pm and back by the end of the day.

Children will need a school branded jumper or t-shirt for the trip.

We hope you have a lovely Bank Holiday! Enjoy the sunshine!

Maths: We are moving onto fractions for the next two weeks. We will be learning to find half of a shape and then an amount. We will then be learning to find quarter of a shape and then an amount.

Key vocab: Half, quarter, whole, fraction, equal.

How you can support at home: Lots of practical opportunities to share into halves and quarters would be great! Maybe the children could halve a biscuit to share with their sibling or share 12 pennies into 4 groups (quarters). Lots of talk around this topic will also help to reinforce the vocabulary.

English: This week we will be learning about poetry. We will be reading 'Biblibonty' by Rose Fyleman and writing our own nonsense poem. We will then be going on a sound walk around school and writing our own poem about the noises we can hear.

How you can support at home: Read different poems with your child and talk about what they do and don't like. Remind them that poems don't need to rhyme!

Phonics: We have now finished Phase 5 so we will be revising all the sounds we have learnt. This week we will be practising reading real and nonsense words to help us prepare for the phonics screener.

P5 sounds covered so far: ay, a-e, ou, ie, ea, e-e, ey, ie, i-e, y, ow, oe, o-e, ue, ew, aw, augh, au, ur, ir, ear, or, wh, ph, ou, oi, oy, ear, ere, air, are,

How you can support at home: Look out for some resources coming home to help your child practise for the phonics screener.
