English

We are completing our two reading papers this week. We will be doing them in small groups across the whole week.

Ways to help at home: Encourage your child to read and re-read to check for sense, ask questions about a text, encourage them to find the evidence in the text when they are answering a question.

Maths

We are revisiting fractions this week!

Things to think about:

What is the whole? What is the part?

How many parts is the object / quantity split into?

Are the parts equal? How do you know?

Do equal parts always look the same?

Homework: Please check your homework books for the latest homework.
