

## Art/DT

We will be looking at portraits of 'The Stars' and creating our own film star image in a Warhol style.

## Writing Links

We will be writing first person accounts of experiences of early Hollywood.

## History

We will be exploring the leisure and entertainment industry in the 20<sup>th</sup> century.

We will look at the movie industry, the importance of the 'Swinging Sixties' and why technological advances have improved the 20<sup>th</sup> century entertainment industry. We will also find out about the first black Disney animator – Floyd Norman!

## Geography

Hollywood - here we come! We will look at land use –the perfect location for film industry and Hollywood today – maps, facilities, development and why places change.

**We would really love to have your feedback about our topic web!  
Please send the attached slip back to us 😊**

## Trips/Events

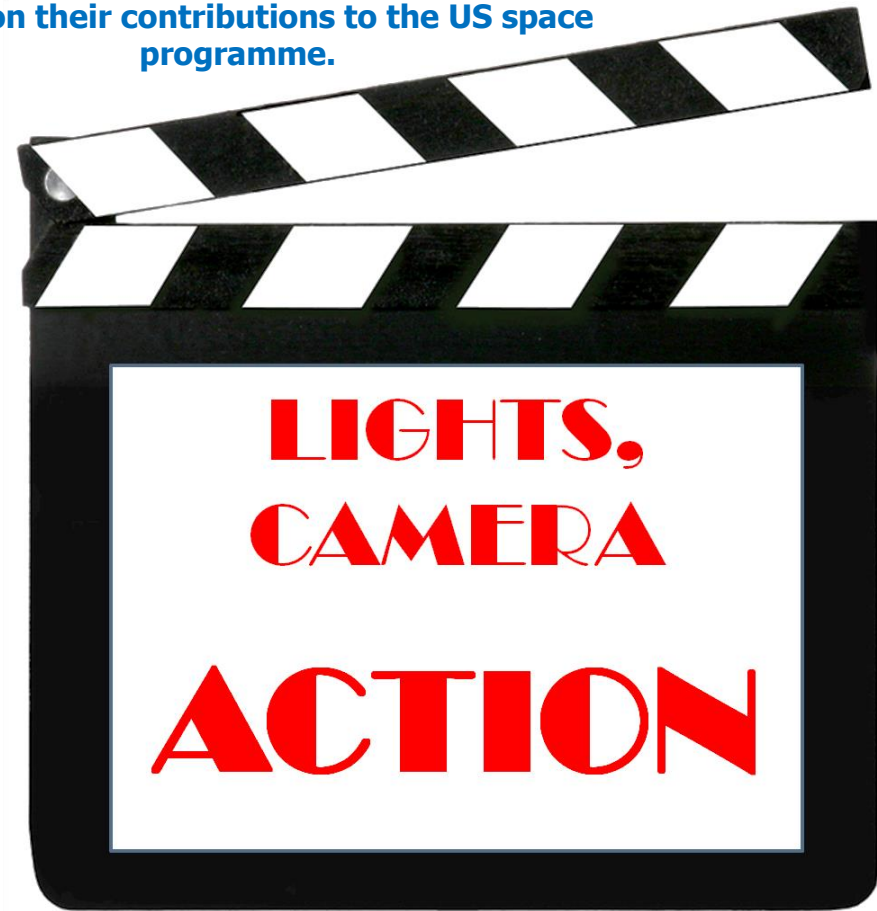

This term is full of excitement. We have our end of year performance, Leeds Armoury trip and a few mystery outings! What more could you ask for?

## Maths Links

We will be finding out about the lives of three incredible black female mathematicians who worked at NASA in the 1960s. A film called 'Hidden Figures' is based on their contributions to the US space programme.

## Rights Respecting

We will be looking at Article 31: The importance of play and rest.
