

The Hoot

Year 1 Edition

Wb: 18.6.2018

Announcements & Reminders

Trip to Longford Park

We need grown-ups to accompany us on our trip to Longford Park on Tuesday 3rd July. We will be leaving school at 1:00pm and we will be back by the end of the day. If you are able to help please speak to your child's teacher.

Summer Showcase

The Summer Showcase for Year 1/2 is on **Monday 2nd July 8:45-9:15am**. This is your opportunity to come in and look at your child's books. The children are very excited to show you all the hard work they have been doing this term!

Morning Drop-Off

Please remember that your child should be dropped off via the Year 1 play-ground. They should not be coming in through the door on the corridor.

Maths: This week we are learning all about time. We will be ordering the days of the week and months of the year and we will be learning to tell the time to the hour and half past.

Key vocab: o'clock, half past, minute, hour, second.

How you can support at home: Using analogue clocks help the children learn to tell the time to the hour and to half past the hour. They need to be able to read clocks at these times and write the hands on the clock to represent o'clock and half past.

English: Our book this week is 'Aliens Love Underpants'.

We will be using it to write questions and come up with some exclamations. Who knows, we may even have our very own alien come to visit us in Year 1....hang on to your socks!

How you can support at home: An electronic version of the story is available at <https://www.youtube.com/watch?v=AGA9HjBubBU> It's a very funny book and is great for prompting lots of imaginative talk. Try hot seating your child, where they pretend to be the alien and you ask them questions.

Phonics: We will be learning spelling rules while continuing to consolidate our phonic sounds. This week we will be practising reading and writing words that end with 'er' and 'est'

P5 sounds covered so far: ay, a-e, ou, ie, ea, e-e, ey, ie, i-e, y, ow, oe, o-e, ue, ew, aw, augh, au, ur, ir, ear, or, wh, ph, ou, oi, oy, ear, ere, air, are,

How you can support at home: When reading, make sure your child is confident with their sounds and tricky words as this will help with their fluency.
