English

We will be reading *Jamil's Clever Cat* this week, which is a traditional story from Bengal. We will retell the story through 'Babble Gabble' (a listening game in which the children take turns to tell the story in stages) and then write down the main events. We will 'hot seat' Jamil with our fabulous questioning skills and will also answer some comprehension questions about the text.

Ways to help at home: What questions words do you know? What punctuation do we use at the end of a question?

Maths

This week we will be recapping on a variety of methods and skills we have learnt over the course of Year 2.

Things to think about: Can you count in 2s, 3s, 5s and 10s, forwards and backwards?

Do you know how addition can help you with subtraction?

Can you tell us the inverse of a multiplication calculation?

Homework: Please check your homework books for the latest homework.
