## Announcements & Reminders

### Trip to Longford Park

We need grown ups to accompany us on our trip to Longford Park on Tuesday 3rd July. We will be leaving school at 1:00pm and we will be back by the end of the day. If you are able to help out please speak to your child's teacher.

### Summer Showcase

The Summer Showcase for Year 1/2 is on **Monday 2nd July 8:45am-9:15am**. This is your opportunity to come in and look at your child's books. The children are very excited to show you all the hard work they have been doing this term!

### Morning Drop-off

Please remember that your child should be dropped off via the Year 1 play-ground. They should not be coming in through the door on the corridor.

*Maths:* We have a short week this week as it's RE day on Monday and inset day on Friday. We will be revisiting time and focussing on solving problems related to time and sequencing the days of the week and months of the year. We will also be measuring time and recording it.

*Key vocab:* Days of the week, months of the year.

*How you can support at home:* Help your child to learn (and spell) the days of the week and months of the year.

*English:* To help us get ready for Sports Day on 9th July we will be writing some instructional texts to help us learn the games and the rules.

*How you can support at home:* Talk about instruction texts and how they are different to stories. Maybe you could read/cook a recipe together so the children can learn about and follow some instructions.

*Phonics:* We will be practising reading and writing all the sounds that we have learnt this year.

*P5 sounds covered so far:* ay, a-e, ou, ie, ea, e-e, ey, ie, i-e, y, ow, oe, o-e, ue, ew, aw, augh, au, ur, ir, ear, or, wh, ph, ou, oi, oy, ear, ere, air, are,

*How you can support at home:* When reading make sure children are confident with their sounds and tricky words as this will help fluency.
