English

We will be continuing our work on traditional stories this week.

Ways to help at home: Read a range of different texts and discuss the plot and characters. Is there any ambitious vocabulary that we could steal for our writing? Let your class teacher know if you find any :)

Maths

It's all about the World Cup this week! We will be solving problems involving time, collecting data and representing it in bar charts and pictograms. We will also be using our maths skills to solve the 'Mystery of the Missing World Cup Trophy'!

Things to think about: How many seconds are there in 1 minute? How many minutes are there in 1 hour? How many hours are there in a day?

Homework: Please check your homework books for the latest homework.
