

# The Hoot

Year 1 Edition

Wb: 16.7.2018

## Announcements & Reminders

### Book bags

Please make sure your child has their book bag in school every day next week as we will be giving lots of things out!

### Thank you!

We would like to thank you all for your support this year. Our fantastic trips and activities wouldn't have been possible without you.

We have loved teaching your children this year and we wish you all a lovely summer. :-)

From Miss Dyson, Miss Jones, Mrs Eldridge, Mrs Doyle, Miss Trundle, Miss Harman and Ms Buckley.

**Maths:** This week we will be putting all the things we have learnt this year to good use by solving some mysteries, including finding out who stole all the pencil cases!

*How you can support over the summer:*

- Ensure your child recognises all numbers from 0-100.
- Help them to count forwards and backwards from any number within 100.
- Help them to solve addition and subtraction problems within 20.

**English:** We are taking a trip down memory lane this week and we will be writing about our favourite moments from Year 1....tissues at the ready!

*How you can support over the summer:*

- Keep practising handwriting, making sure letters start in the same place and that capital letters are taller than other letters.
- Make sure your child can spell all the Year 1 Common Exception Words.

**Phonics:** We will be playing lots of games this week as we keep consolidating all the sounds we have learnt in Year 1.

*How you can support over the summer:*

- Keep reading! Lots of practice, reading a variety of different books. It is recommended that children read for 10 minutes a day.
- Focus on retelling. When children have finished a book, ask them to tell you what they have just read.
