

9th July 2018

Dear Parents/Carers,

Swimming Parent Helpers Required

As some of you may already know, our Year 4 classes attend swimming lessons at Hough End Leisure Centre every Friday morning. We are looking for three parent helpers to commit to coming along to support our staff each Friday morning once the children move up into Year 4 in September. Please note that parent helpers would not be required to get into the pool with the children.

The volunteers would need to commit to coming along **every** week for an hour and a half with their child's class (times for each class to be confirmed). If you are interested, please indicate on the reply slip below.

Kind regards,

Deborah Howard
Headteacher
