

9<sup>th</sup> July 2018

Dear Parents/Carers,

## Year 6 Litter Pick & Field Study Trip

As a continuation of this year's focus on plastic pollution in Year 6, we will be carrying out a litter pick at Chorlton Ees on Tuesday 17<sup>th</sup> July. All children will be provided with protective gloves, bin bags and litter pickers. They will also be fully briefed on the type of items that should or should not be picked up.

In addition to this, the children will also be carrying out a short field study to identify and categorise plants and animals in the local environment. This is part of our science topic.

Please ensure your child is wearing sensible shoes. School jumpers or polo shirts are to be worn for the visit. If a child arrives on a school trip without their school jumper, appropriate clothing to assist in immediate identification of any pupil attending a trip will be provided.

We will walk to Chorlton Ees at 9.15am and will be back in time for lunch.

If any parents/carers are able to accompany us on this trip, please contact the office or relevant class teacher.

Kind Regards

Kat Rowe, Wendy Gibson and Natalie Gomez  
Year 6 teachers
