Dear Parents/Carers,

Community Use of School Hall & Pitch

As you may already know, starting from this term we have the capacity to let out the school hall and sports pitch on Monday and Tuesday evenings for various community activities.

As parents of the school it would be great to get some feedback on what sort of activities/classes you would like to see on offer. They could be aimed at children, adults or both (eg. sports sessions, drama, art, music, fitness, cooking).

Your feedback is important and we would love to hear what you have to say. Alternatively, if you would be interested in hosting a community event yourself using our facilities please get in touch. You can send enquires to me at k.bentley@oswaldroad.manchester.sch.uk, or alternatively please complete the reply slip below and return it to the school office.

Kind Regards

Kieran Bentley
