English & Maths

In English we are learning...

"Toro! Toro!" by Michael Morpurgo

We will look at how characters are built through his use of language, action and dialogue. We will then apply this to our own writing.

In maths we are learning... about rounding to the nearest 10, 100, 1000 & 10,000 and negative numbers.

This week's spellings:

This week we will be focussing on words with silent letters b and c (e.g. lamb, scissors).

Class teachers will give the pupils a copy of these spellings to learn for the test next week.

We recommend saying the silent letter when you say the word. This helps us remember how to spell the word ...and it's hilarious!

This week's times tables:

7 times tables!

Please remember that all children are required to read daily!

Fortnightly Topic Task

This half term we are learning all about Spain! We would love you to design something creative for our classroom displays. This is the final week for this homework so please bring your creations into class!
