Dear Parent/Carer,

Parental Engagement Person- 4PS

A couple of years ago we launched a new initiative as part of the Parental Links branch of our School Improvement Plan (SIP), in which we recruited a Parental Engagement Person (PEP) to represent each class in school. We currently do not have a PEP for 4PS and we are therefore asking parents who are interested to volunteer.

We are hoping that those who put themselves forward for this role will support the school by encouraging more parents to attend school events and helping to promote a feeling of community amongst the parents in their year group. Should you choose to volunteer for the role to represent your child's class, you will be required to attend a meeting just once every term.

Bearing in mind that over half of our school community is of a minority ethnic background and that 24% of our pupils have English as an Additional Language (EAL) **we particularly welcome parents from different ethnic backgrounds, or who speak different languages**, to put themselves forward.

If you would like to put yourself forward for this role please complete the reply slip below and return it to the office by **Monday 1st October**.

Kind regards,

Ellie Linton
