## Announcements & Event Reminders

Thank you to all parents and children who attended our 'Meet the Teacher' event on Wednesday. It was lovely to see so many of you, and we hope the presentation was useful.

Swimming continues as usual on Fridays and the first week went well.

MASSIVE thanks to all those parents who kindly gave up their time to help—it is very much appreciated!

We would be grateful if boys could bring swimming trunks (relatively tight fitting) and not swimming shorts, as this is a requirement of the swimming service. Many thanks.

## Fortnightly Topic Task

Thanks to all who helped the children produce such excellent homework on changes since the 1960's. The new task links to our science topic on sound. We would like the children to design and make a musical instrument to demonstrate in one of our lessons. Any kind of instrument would be acceptable! This homework is due in on Friday 5th October.

## English & Maths

Next week we will be looking in more detail at story structure and starting work on our book 'The Fib'.

In maths we will be working on ordering numbers.
