Fortnightly Topic Task

This half term we are learning all about Earth and space in science. We would love pupils to design something creative for our classroom displays or carry out some research to share with the class.

English & Maths

In English we are learning...

"Toro! Toro!" by Michael Morpurgo

We will be applying what we have learned about action and dialogue to our writing!

In maths we are learning...

Negative numbers and recapping addition and subtraction.

This week's spellings:

This week we will be focussing on words with silent letters g and k (e.g. gnome, gnaw, knight, knave)

Class teachers will give the pupils a copy of these spellings to learn for the test next week.

We recommend saying the silent letter when you say the word. This helps us remember how to spell the word ...and it's hilarious!

This week's times tables:

8 times tables and rounding!

Spanish Phrase of the Week

el tren	train
el aeropuerto	airport
el pasajero	passenger

Please remember that all children are required to read daily!
