Dear Parents/Carers,

Year 3 Explorer Dome Visit

As our topic this half term is linked to space, we have a company called Explorer Dome coming into school on Tuesday 9th October for half a day to spend time with all Year 3 classes.

During their visit they will bring with them an inflatable planetarium. Their workshop will include learning about our solar system and the movement of the sun, followed by looking at the wider universe. They will finish by showing the children a tour of the night sky and the myths surround the constellations.

A minimum contribution of £4.50 to help cover costs would be appreciated. If we do not receive sufficient contributions, the visit may have to be cancelled. Please return your slip and payment to the school office in an envelope with your child's name, class, amount enclosed and what the slip/payment is for by Monday 8th October. If your child is eligible for Pupil Premium, you are entitled to the visit being funded by school.

Kind regards,

Leanne Eldridge, Joe Welsh, Kathryn Whalley Ben-Hallima, Marleena Cronvall
