

9th July 2018

Dear Parents/Carers,

Swimming Parent Helper Required- 4PS

As you will already know our Year 4 classes attend swimming lessons at Hough End Leisure Centre every Friday morning. We are still in need of one parent helper from 4PS to commit to coming along to support our staff each Friday morning. Lessons will start on Friday 14th September. Please note that parent helpers would not be required to get into the pool with the children.

The volunteers would need to commit to coming along **every** week for an hour and a half with their child's class (times for each class to be confirmed in the next week). If you are interested, please indicate on the reply slip below.

Kind regards,

Deborah Howard
Headteacher
