Dear Parents/Carers,

Tapestry (Nursery & Reception)

We are really excited to be commencing with Tapestry this year in Nursery and Reception. Tapestry is an easy-to-use online learning journal that helps educators and parents to record, track and celebrate children's progress in early years education.

Our Nursery and Reception classes are fun-packed and busy. From messy play and first steps to learning phonics and new games, there's so much for children to do, learn and take in. Tapestry enhances this special time, helping teachers to capture children's experiences as well as monitor development and learning. This unique journal is shared online with parents, who are able to see special moments and view their child's progress.

We will be sending out login details in a few weeks' time so that you can log on and view your child's Tapestry learning journal.

Kind regards,

Laura Tracanna
