Look out for your child's new reading book in their book bag.

The Hoot

English

We will be reading the *True Story of The Three Little Pigs*. We will answer some comprehension questions about the story and also write our own questions for 'hot-seating' the wolf!

Things to think about: What special punctuation do we use at the end of a question? Can you think of any question words?

Maths

We will be looking at place value this week. This will involve ordering numbers from smallest to largest, and comparing numbers using the inequality signs $<$ and $>$ e.g. $9 > 5$ (9 is bigger than 5).

Things to think about: Which number is bigger out of 26 and 62? Can you explain why? We need to look at the tens digit and the ones digit to help us!

Ways to help at home: Practise partitioning (breaking up) 2-digit numbers into tens and ones e.g. 10 has 1 ten and 0 ones; 23 has 2 tens and 3 ones.

Homework: Homework will be handed out on Fridays, starting on Friday 14th September.
