November

Nursery Edition  
15/10/2018

**Our Book of The Week:** Room on a Broom by Julia Donaldson

**Maths Focus:** Length, using comparative language about length e.g. longest, shortest, tallest and placing items in height order.

**Phonics Focus:** Introducing alliteration and recapping rhyming words

## Announcements & Reminders

**Tapestry:** As you may now know, Oswald Road Nursery will be recording your child's learning and progress electronically using a programme called Tapestry. For this, we need to collect permission slips which were handed out a few weeks ago. If you have not already done so, please can you complete the permission slip as soon as possible if you wish to go ahead. Thank you for all those parents/carers who have already handed them back.

**Pick up time at Nursery:** We would like to remind everyone that the pick up time at Nursery is 3.15pm. This is different to the rest of the school, who are picked up later. Please can all parents/carers ensure that children in Nursery are collected promptly at 3.15pm, as we have regular meetings to attend after this time.

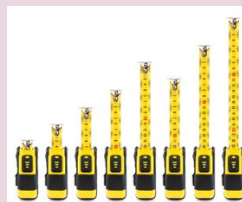

**Scooters:** Please can we request that parents and carers do not leave scooters in Nursery or Reception classroom areas.

## Fortnightly Family Task

### Long and Short Items:

This week in Nursery, the children will be learning about comparative language, including, long, short and tall. Can you find a set of 3 items around the house and put them in height order, starting from the shortest? When you have done this, you could try 5 items.

If you have any questions please speak to your child's class teacher.
