

## Announcements & Event Reminders

Just a reminder about two events in school:

1. Next week is our Science Super Learning Week, and on Monday the children can come in in fancy dress (it must be someone who uses science in their work).
2. On Thursday we will be holding a 1960's day in Year 4. We would like the children to come in in 60's inspired clothing (although this is in no way compulsory). We plan to eat 60's inspired food, listen to groovy, hip music and learn dances from the decade, as well as hold our own demonstration, placards and all. Wild, man!

## English & Maths

Next week in English we will be completing our dilemma stories and editing them.

In maths we will be continuing our work on addition and subtraction.
