

15<sup>th</sup> October 2018

Dear Parents/Carers,

## Reception 'Learning Street' Workshop

For our next topic we will be looking at our community and people who help us. To help us with this topic will be taking part in a number of enrichment activities. We have booked a workshop with Clever Cogs called 'Learning Street'. Learning Street is a role play 'street' that sets up at school and includes and building site, a hospital, a vet's surgery and a police station. The children will have a chance to explore lots different professions and the environments that they work in. This will be an amazing opportunity for the children, which will take place at school on **Monday 19<sup>th</sup> November**.

A minimum contribution of **£9.50** to help cover the costs of the workshop would be appreciated. If we do not receive sufficient contributions, this event may have to be cancelled. Please return your slip and payment to the school office in an envelope with your child's name, class, amount enclosed and what the slip/payment is for by **Thursday 15<sup>th</sup> November**. If your child is eligible for Pupil Premium, you are entitled to the trip being funded by school.

We are certain this is going to be a truly memorable experience for our children.

Kind regards,  
Natalie Glendon, Sophie Roberts & Fiona Walker  
Reception Teachers
