Dear Parents/Carers,

## Nursery Fund

At Oswald Road we are constantly striving to provide exciting and creative learning opportunities for our children. From pupil voice undertaken in previous years, our children have said that they love to bake and do lots of exciting themed craft projects. We are very lucky to have a cooker in the EYFS and we also have a fridge, so we are looking forward to setting up some fun activities for our children.

In order to set up these exciting projects and baking sessions we are asking for a weekly donation of no more than 50p to £1 to pay for food, baking equipment and special craft resources etc. There will be a clearly marked pot beside the parent board as you enter the Nursery for you to put your donation into each Monday ready for our project later on in the week. We are asking for donations to start as soon as you are ready.

Keep an eye out on the Oswald Road Facebook and Twitter pages for pictures of our first creations!

If you have time to spare and would like to be involved in helping us to bake, we would love you to come in to the Nursery and get messy with us. Please speak to your child's class teacher and let them know. We always welcome donations of baking equipment too so if you have any spare cakes tins or moulds please send them in. Please note, this is not a compulsory but a voluntary donation.

Thank you for your support and time as always.

Kind regards,

Laura Tracanna & Khadijah Iqbal  
Nursery Teachers
