Thanks for all your support this half term—the children have settled in really well :)

English

We will be: Reading *Tattybogle*. We will make a story map to help us retell the story. We will also be writing questions and will become authors for the day to write a blurb!

How to support your child: What is a blurb? What is the purpose of a blurb?

Maths

We will be learning: Number bonds to 100 using tens and ones to help us. We are also going to be adding together 3 single digit numbers.

Key vocabulary: sum, altogether, value, total, tens, ones, consecutive, odd, even.

How to support your child: Continue to practise partitioning numbers into tens and ones and then adding them together.
