

OSWALD ROAD
PRIMARY SCHOOL

Announcements & Event Reminders

Please accept our grateful thanks for the effort that both children and parents/carers have put in over the last week for both Science Super Learning Week and our wonderful 60's day. The children seem to have enjoyed themselves very much and we look forward to similar events throughout the year.

We return to school on Monday 29th October and our new topic looks at world geography. The first topic task below relates to this.

Two dates for your diaries:

20/11/18—4PS Class Assembly

27/11/18— 4AW Class Assembly

We wish all of you a restful holiday!

English & Maths

In English in the first week back we will be starting work on our new book 'Journey to Jo'burg'.

In maths we will be continuing our work on addition, subtraction and checking using the inverse operation.

Spellings for this week :

heel	heal
weather	whether
multiples	polygon
thousands	hundreds

Spanish Phrase of the Week

nueve	nine
diez	ten
once	eleven
doce	twelve

Please remember that all children are required to read daily and add to their reading records

Fortnightly Topic Task

As part of our 'Around the World' topic, we shall be researching different kinds of settlements. In preparation for this we'd like you to design your own settlement, thinking about who lives there, what facilities they will need and how you will provide them. You could present your settlement as a 'town plan' or as a model if you wish!
