## Announcements & Event Reminders

Swimming is going well on Fridays and we once more thank our wonderful parent helpers for coming with us and assisting.

A reminder that Science club continues on a Monday at 3.30pm for the next three weeks.

## Fortnightly Topic Task

Thanks to all who helped the children produce such excellent homework on changes since the 1960's. The new task links to our science topic on sound. We would like the children to design and make a musical instrument to demonstrate in one of our lessons. Any kind of instrument would be acceptable! This homework is due in on Friday 5th October.

## English & Maths

Next week in English we will be comparing the structure of different stories, and writing our own dilemma story.

In maths we will be working on addition.
