

Science Animals

We will be learning to identify and name a variety of common animals including fish, amphibians, reptiles, birds and mammals.

History

Pupils will be introduced to the concept of Remembrance Day and will learn why people in this country wear poppies in November. Through learning about Remembrance Day, pupils will understand that there are events beyond living memory that are significant nationally and globally, and that these are commemorated through anniversaries. Pupils will learn how to ask relevant questions about WWI and to deduce facts about the war based on their own investigations. Pupils will attempt to empathise with the people who lived through the war, and to use this knowledge to explain why it is important to remember significant past events, like WWI.

Computing

We will be looking at paint packages on the computer, trying to use a variety of paint tools to create images.

Religious Education

We have an RE day once a half term. We will be looking at Christmas and other religious celebrations.

Music

We will be experimenting with, creating, selecting and combining sounds using the inter-related dimensions of music.

Year 1: Autumn 2 What's with all the poppies in November?

Maths

Number: Addition and Subtraction

We will be representing and using number bonds and related subtraction facts **within 10**.

We will be reading, writing and interpreting mathematical statements involving addition (+), subtraction (-) and equals (=) signs.

English

We will be learning to write super sentences with capital letters, full stops and finger spaces. We will be reading our work back to make sure it makes sense.

We will be reading a variety of fiction books from other cultures.

Art

Our focus will be on poppies this half term. We will begin by sketching them first and then making poppy clay models by the end of the term.

Physical Education

Gym - We will be linking basic movement together. Gradually introducing different equipment and exploring how they can be used.

Outdoor Games We will be working on movement with a ball.

Enrichment and Trips

We will be having a theatre company coming in to our school to put on a show for us.

Parent/Carers reply slip. Please send in your suggestions and comments by returning this slip to your child's class teacher.
