

Science

We will be learning all about health and growth. This will include the importance of exercise and eating a balanced diet.

DT

We will be using the planning, making and evaluating process to make our own 3D models.

English

We will be reading some lovely stories and poems, which we will explore through discussion and drama. We will use paired and individual writing to explore characters and settings. We will learn how to use different sentence types to make our writing lively. Our focus on answering comprehension questions will also carry on.

**Big Question - Why do we
"Remember, remember the fifth of
November"?**

PE

Mr Bentley will be reinforcing the importance of exercise through outdoor PE (make sure you bring your long trousers ready for the colder weather!)

ICT

We will be creating and debugging simple programmes using the iPads.

Curriculum Enrichment

Guy Fawkes will be visiting Year 2 on Tuesday 6th November! A letter has been sent home with all the information you need.

Articles 9, 29 and 39. Education should prepare children to live responsibly and peacefully in a free society.

Music

We will be learning new songs as well as playing instruments and learning their names.

Maths

In maths we will be continuing to build upon our knowledge of number and the number system

RE

Our topic this half term is on Judaism and what Jewish people believe. If you are an expert in Judaism, we would love to hear from you!

History

We will be learning all about Guy Fawkes and the famous 'Gunpowder Plot'. We will develop our enquiry based learning approach along with our drama skills!

Parent/Carers reply slip. Please send in your suggestions and comments by returning this slip to your child's class teacher.
