## Announcements & Reminders

**Tapestry:** We have had so much lovely feedback about Tapestry from parents and children! If you are still having trouble logging in, please speak to your child's class teacher.

Lots of parents have been commenting on observations and some have even uploaded their own from home! Take a look at some of the examples below.

## Fortnightly Family Task

Please take some time to sit with your child and celebrate their learning on Tapestry. If you do anything exciting over the weekend or see any new learning, please share with this with us. Teachers really value your input from home.

If you have any questions please speak to your child's class teacher.
