Announcements & Reminders

Warm Clothing:

The weather has suddenly changed and become much colder! Can you please ensure your children attend Nursery every day wearing a warm coat with a hood. Please could you ensure that all items of clothing worn by your children have their name on.

Reading Books:

Now that we have started to change reading books, we would just like to remind you that these will be changed on either a Wednesday for Miss Tracanna's group or a Thursday for Mrs Iqbal's group. Please send in both the reading record and book. We will be unable to change your child's book until the following Wednesday or Thursday if they are not brought in on the correct day.

Fortnightly Family Task

Please take some time to sit with your child and celebrate their learning on Tapestry. If you do anything exciting over the weekend or see any new learning, please share with this with us. Teachers really value your input from home.

If you have any questions please speak to your child's class teacher.
