

The Hoot

Year 1 Edition

Wb: 12.11.18

Announcements and Reminders

Outdoors

Please can you make sure your child has a coat for playtimes. It's getting very cold and lots of bugs are going around!

Parents Evening

Tuesday 13th November

Monday 19th November

Dance-a-thon for Children in Need- Friday 16th November

Maths: This week in maths we are carrying on with addition. We will be looking at adding numbers together, adding on more and finding a part of an addition sum.

Useful vocabulary: add, addition, plus, more, sum, altogether, make, +, difference, part.

How you can support at home: Over the next few weeks the children need to carry on practising numbers to 10. They also need to be adding different numbers together to make an amount.

English: This week we will be focussing on our third week of 'The Catch', however we will be coming up with our own ideas. During our invention week children will be coming up with ideas to create their own story!

How you can support at home:

If you are practising any writing at home you could encourage children to use different sentence starters ready for their story. Adding interesting adjectives is also great!

Phonics: **Miss Jones' & Miss Millward's groups:** Phase 4, week 3. Reading cvcc and ccvc words including sounds: br, fr, bl and fl.

Miss Dyson's group: Writing sentences and captions with Phase 3 sounds.

Miss Trundle: Revision of Phase 2 sounds and blending practise.

How you can support at home: Read with your child (aim for 10 minutes a day). Please use the resources that were sent home before half term. Here are some useful websites that are interactive: www.phonicsplay.co.uk and www.ictgames.com
