

11th December 2018

Dear Parents/Carers,

Year 3 Science Club

From Monday 14th January we will be running an after school science club for Year 3 every Monday for four weeks. The sessions will last for one hour each, finishing at 4.30pm and will cover the following topics;

<u>Week</u>	<u>Topic</u>
1	<u>What is Science?</u> A series of basic experiments and what we can learn from them.
2	<u>The Earth</u> Layers of the Earth, tectonic plates, volcano model.
3	<u>The Wonders of the Universe</u> Solar system model. What are stars? Why is the sun so small in the sky? Size of the universe.
4	<u>The Natural World</u> How did life arise on Earth? How did it spread and make so many varied forms?

Places on the club are limited to 30, so please note that applications will be accepted on a first-come, first-served basis. If you would like your child to attend, please complete the slip below and return it to school by Monday 17th December. Letters of confirmation of places will be sent out before the Christmas break.

Kind regards,
 Andy Wheeldon
 Year 4 Teacher

Year 3 Science Club

Child's Name: _____ Class: _____
