Dear Parents/Carers,

Nursery Transition Feedback

As we reach the end of the first term we can truly say it has been an absolute pleasure getting to know your wonderful children since they joined Oswald Road. We are so pleased with how they have transitioned into Nursery and can't wait for the exciting times ahead.

We know that transition can often be a very unsettling time for children, parents and carers, and we would really value your feedback on what you felt worked well during this transition period and what you think we could do in future to improve further.

Below is a list of things that Nursery ran for transition this year. We would be grateful if you could fill in the feedback form overleaf and return it to us as soon as possible.
