

Year 2 Edition

Wb: 7/1/2019

The Hoot

Announcements & Reminders

Stay & Learn—Tuesday 15th
January 8.45am-9.45am

Our second Stay & Learn will have a maths focus. The children and staff are already looking forward to it!

Tatton Park Trip—6/8th February

As part of our topic we will be visiting Tatton Park on the 6th and 8th of February. Please see the letter on the website for costume ideas and more information.

Well done! Can we take this opportunity to congratulate all the children on their behaviour and effort this half term. They have been fantastic. Also, thanks for all the hard work you do at home, such as daily reading—it all helps. Have a lovely break.

Thank you.

Year 2 team

English

We will be: working on using conjunctions and connectives to extend our sentences.

How to support your child: Ask them to extend a simple sentence verbally—e.g. “I want to go to the park” could be extended with ‘because’ - “I want to go to the park because it is a lovely day.”

Maths

We will be learning: Division

How to support your child: Ask you child to split an amount of objects into equal groups, e.g. can you divide these 12 mince pies into 3 equal groups?

Key vocabulary: divided into, share equally, equal groups
