December 3.25pm

School Reopens- Monday 7th
January

Our Books of The Week: A selection of
Christmas Stories

Maths Focus: 3D shapes

Phonics Focus: ow, oi, ear

Literacy Focus: rhyme

Announcements & Reminders

Christmas Parties!

We are starting to prepare for our Christmas party! Any donations to our reception fund would be greatly appreciated to buy prizes, sweet treats and drinks for the children.

Start of the Day Activity

Each morning there will be a start of the day activity out in your child's classroom. This could be linked to number, phonics or shape. We are trying to encourage all children to complete this activity with a grown-up and then choose a book to read on the carpet until the tambourine shakes. Thank you.

A wet walk to the shops!

Although the weather has been terrible this week we still managed to walk to the greengrocers to buy our vegetables to make vegetable soup. The children really enjoyed walking to the local shops. We had a great time making our soup and tasting it to see if we liked it.

Fortnightly Family Task

We are trying really hard at the moment to learn some new diagraphs.

So far we have learnt; qu, sh, ch, th, ng, ai, ee, igh, oa and oo.

How many words can you write down that have one of our diagraphs in?

Can you remember how to say each diagraph?

If you have any questions please speak to your child's class teacher.
