

History

We'll be creating a timeline of Ancient Greek civilization and investigating life during this period of history. We will learn about the important impact the Greeks had on our modern world, considering our democratic system, the Olympic Games, theatre and much more!

PE

We will be trying to recreate the gymnastics abilities of the Ancient Greek Olympians. In outdoor games we will be playing hockey.

Maths

We'll be learning about the Ancient Greek number system and using this to solve algebra problems. We will also be putting our measuring skills to the test in real life situations.

Hooks

We will visit a real life theatre and putting our acting skills to the test!

What did the Greeks ever do for us?

Links to Rights Respecting

Article 12: You have the right to give your opinion and for adults to take it seriously.

Writing

During our literacy lessons we will be looking at Greek mythology. We'll be writing our own myths based on Pandora's Box and venturing into the labyrinth with Theseus. We'll be writing newspaper reports and recounts of Theseus' adventures.

Science

We'll be investigating the properties of materials and conducting experiments into irreversible changes.

Art

We will be looking at Greek pottery and studying art work that has been inspired by Ancient Greek Mythology.
