25th February

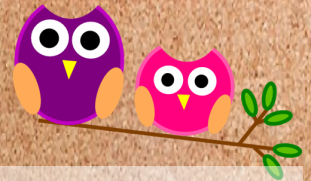

Our Book of The Week: Commotion In  
The Ocean

Word of the week: Recap Phase 3

Sounds of the week: ng, ai

## Announcements & Reminders

### Chester Zoo

Thank you to all our parent helpers who made our zoo trip possible. If you would like to help with trips in the future please see the office staff about getting a DBS check done through school (please note that not all trips require a DBS).

### Coats and Warm Clothes

As the weather is getting much colder, we will still be going outside a lot. Please ensure your child has sufficient warm clothing.

### Reading Book

Please ensure that reading books are in school on your child's book change day and the reading diary is signed or they cannot be changed until the following week.

## Fortnightly Family Task

As the weather is getting colder, we are needing to do our coats up. Can you practise doing your coat up? Can you get your fingers in your gloves? Practising fiddly things like zips and buttons is really good for our fine motor skills and strengthening our hands.
