

22<sup>nd</sup> January 2019

Dear Parents/Carers,

## Year 4 Planned Enrichment Activities

We have received a number of emails from parents in Year 4 to say that they were disappointed to see that we had booked Portals to the Past as the enrichment for this half term's topic on the Saxons. Seeing as there was a shared concern about the enrichment offered last year when the children were in Year 3, I thought it best to send a letter out to let you know what we have planned for the children for the rest of this academic year.

We start, as you will already know, with a visit from Portals to the Past on Monday 28<sup>th</sup> January. These workshops are a highly educational, immersive and informative learning experience, which we feel are a great way to bring the topic to life for the children. Each workshop is based on a different theme depending on the topic the children are doing each half term.

Other trips already being planned for this year are:

- Ordsall Hall for our topic on the Tudors
- Manchester Museum for our topic on Ancient Egypt
- An orienteering expedition (location to be confirmed nearer the time)
- A visit to Longford Park as part of a topic we will be doing in science

We will of course send more details about each trip nearer the time, however I hope that this letter offers some reassurance about our plans to offer exciting enrichment activities for each topic.

Kind regards,

Jen Beech  
Year 3-4 Phase Leader
