Announcements & Reminders

Punctuality:

We have noticed that some children are still being dropped off late. Our tambourine will be shaken at 8.55am every day to indicate that learning time is about to begin promptly for a 9:00am start. If children arrive after this time, we would like to request that you drop them off at the door and a member of staff will support them to get settled. When parents come inside after this time, it can be extremely distracting for the other children who have already started their learning time. Thank you.

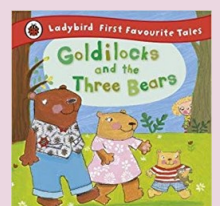

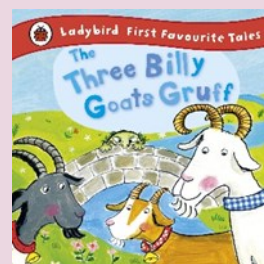

Carrier Bags:

If anyone has any spare carrier bags they wish to donate, we would find these very useful.

Fortnightly Family Task

Can you make a list or draw some of your favourite traditional tales characters?

If you have any questions please speak to your child's keyworker.
